Experience

Nallamala House - IIT Madras

Member

December 2024 - Present (1 year 2 months)

As a current member of Nallamala House, my experience has been incredibly enriching. I am actively involved in several clubs focusing on developing essential skills like communication and public speaking. These clubs provide a supportive environment where I can practice and refine my abilities, helping me grow both personally and professionally. In addition to these, I am also part of two vibrant coding clubs. These clubs are a hub for staying updated on the latest technologies, participating in hackathons, and engaging in coding challenges. It's a community where I can continuously sharpen my technical skills, learn about emerging trends, and collaborate with peers with the same passion for coding.

Being part of Nallamala House has been a significant aspect of my journey at IIT Madras, providing me with opportunities to develop a well-rounded skill set that complements my academic studies in data science.

Paradox, IIT Madras

8 months

Coordinator

February 2025 - May 2025 (4 months)

Chennai, Tamil Nadu, India

Managed student registrations, enhancing operational efficiency

Volunteer

October 2024 - January 2025 (4 months)

As a Volunteer in the Student Relations team at IITM Paradox, I had the opportunity to contribute to various aspects of event management and student engagement:

Event Support: Assisted with on-the-spot student registrations, helped manage attendance, and provided real-time support to participants during events.

Issue Resolution: Actively addressed student queries and concerns, ensuring a smooth and enjoyable experience for all attendees.

Team Collaboration: Worked closely with fellow volunteers and coordinators to ensure efficient communication and coordination across the team.

Skills Development: I developed strong organizational and communication skills, which laid the foundation for my subsequent promotion to Coordinator

Education

Indian Institute of Technology, Madras

Bachelor of Science - BS, Data Science · (May 2024 - May 2028)

Kalyani Public School

Secondary Education, Math and Science · (May 2021 - May 2023)
